Conference Dial-in Number:

Call 712 432 0111, then dial the access code: 295336. The first person in needs to push the star (*) button after the access code. Everyone else can push the pound (#) button. Once connected to the free conference call, you will be able to talk. Please introduce yourself to the other participants.

Also, in case the first doesn't work, Alternative Conference Dial-in Number: (218) 862-1000, Participant Access Code: 695618#

We've included time limits on each subject. We've seen this done at other meetings and it works well to keep things moving and we try to keep meetings under 1.5 hours.
